Protik Roychowdhury

VP Product at Intellect · Trusted AI, marketplaces & enterprise SaaS · Singapore

Protik Roychowdhury is VP Product at Intellect, a regulated enterprise SaaS platform in workforce mental health (4.5M+ covered lives, $20M+ ARR), where he leads a team of 20+. Previously Principal PM at Grab, leading Growth, Engagement & Loyalty for the consumer experience, and first PM for Rentals at Ola. Three-time founder, one exit. Author of three papers on AI safety and LLM evaluation. Singapore.

CAREER

Intellect — VP Product · 2022–present
Leads product, design, content, localisation, and AI for a regulated, multi-tenant enterprise SaaS platform in workforce mental health: 4.5M+ covered lives across APAC, ANZ, China, and Latam. Team grown from 3 to 20+. Led the product side of the consumer-to-B2B2C pivot that took enterprise revenue to $20M+ ARR. Shipped GenAI for triage, a chat companion, session preparation, and treatment formatting.

Grab — Principal Product Manager · 2019–2022
Led Growth, Engagement & Loyalty for the consumer experience, plus Driver Rentals. Onboarding success up 15pp to 94%; ARPU up 2% through personalisation and gamification; $2.5M in ad revenue unlocked; $4.5M saved by a rebuilt rentals billing system across 30K+ vehicles.

Fabelio — Group Product Manager · 2018–2019
First senior product hire. Built the product org: three pods with OKRs. Showroom conversion up 18pp.

Ola — Product Manager · 2016–2018
First PM for Rentals. Cut monthly revenue leakage by INR 9.7M with telematics-based fraud tracking; driver earnings up 12% through incentive redesign.

Founder · 2009–2016
Three companies, one exit. Croak.it!, a voice-based social app, reached 1M recordings and the App Store top ten before Exotel acquired it in 2015.
